Mission Statement

Baymonte Christian School offers a distinctively Christian and highly academic education in a loving and supportive environment.

Vision Statement

Baymonte Christian Schools, believing a strong “today” builds a strong “tomorrow,” endeavors to educate students in a distinctively Christian environment, equipping them spiritually, intellectually, and physically to apply a Christian worldview as they meet life’s challenges and opportunities.

Core Values

We value:

- Challenging students to grow in their relationship with Christ.
- Guidance of positive social interaction and relationship building.
- Appropriate biblical integration in all subject areas.
- A structured environment where discipline is motivated by love for the students.
- A qualified, Christian staff committed to meeting the needs of our students.
- A commitment to meeting the academic needs of students with a variety of abilities, challenging them to meet their full potential.
- Parent participation and open communication between the school and the home.
- An authentic, interdenominational community serving our greater community.
- Opportunities for students to develop extracurricular interests such as music, athletics and art.
